

SIEGE Excerpts

2 Revolution Through Armed Struggle

2.2 Mail-Order Revolution?

At the time of the first American Revolution the adversary was the King of England. This man could have been called a lot of things but he couldn't be called evil. The enemy today is the U.S. Government itself and it is, by every standard of measure, the most evil thing that has ever existed on earth.

If it even started to look like we were verging on some kind of real power they'd go nuts and pull out all stops against us. It has even been predicted that they would go as far as to use H-Bombs against any large strongholds and I wouldn't doubt it a bit considering the stakes. It'll be a real fight but it won't be a fair fight. Matters of survival seldom are.

2.9 Playing The Ball As It Lies

That German court gave Hitler less than a year for "high treason"; the System here today gives patriots fifty years for charges they were framed on, for doing nothing! The society is a shambles and the economy slips more every day but most would - and will - be surprised to learn just how much further it can deteriorate before the situation can be termed critical.

2.13 Removing All Options

They say a coward will allow himself to be bullied and backed up as long as there is room left for him to back up. All of White America has been behaving like a damned coward in the face of arrogant Blacks and traitors in government dismantling the once-great United States of America. Before it is too late, let's see to it that the big coward at last gets backed into a corner so that he is going to have to come out fighting!

2.20 Forces To Be Unleashed

Something unreasonable. Something that doesn't even make sense. Something they [the masses] can neither anticipate nor cope with afterward. Tommasi was among many revolutionists who knew that if a revolution were ever sparked in this country, it would be done by one, lone incident that had all the dimensions necessary to catch fire and spread in all directions at once. It is the missing factor. It is why the times we are living in are the roughest because nothing, that is nothing dramatic and widespread, is happening that is truly revolutionary.

3 National Socialism

3.2 The German Mystique

Germany never had anything to compare with the British slogan that, "The niggers begin at Calais".

3.7 The Most Deadly Misconception We Face

The absolute stone-headed rednecks keep on with the "Nazism = Communism" because that's the way they view ALL authoritarianism. However, most of these folks know how to hold a rifle and will be recruited to our side FAST when general hell breaks its tissue-paper bonds. Hell, things were so comparatively healthy in Weimar Germany, as opposed to what they are here, that Hitler was fully able to work within the framework of that system and WIN! No way in hell we can do that here today!!

3.9 When As It Happens

The fact is that what happened to our people and our culture would probably have happened anyway. Maybe not so soon, maybe not so drastically. But it would have happened. Going back to the close of the Renaissance period, the Jews never could have gotten their foot in the door of Western Civilization unless something had not already been amiss in the basic structure and outlook of things.

4 Conservatism and the Lost Movement

4.2 The Numbers Game

Tommasi's NSLF underground in 1975 had about 4 men. But those four men had the Reds and Blacks TERRIFIED and crying to the System (which they supposedly hated) for PROTECTION! That's because those in the NSLF underground were MEN, Tommasi was a LEADER, and his was an ORGANIZATION.

4.13 Too Close To Our Work

I have here Rightist tracts - postwar - dating up from 1949 which each in turn give this country about 5 years to go before totally succumbing to degeneracy and subversion, if not all-out military attack. Many of these are of a Biblical nature with the rest being various shades of crack-brained political crusades. A comparatively recent one - which masked, but yet served, a monumental ego-trip of the author who happened to have been there - had it that, "Rhodesia must be the turning point!" That was from about 1976. Last straw after last straw.

4.14 A Break With The Past

But Hitler and Rockwell shared one thing in common which is no longer valid: they both believed - as Hitler proved and as Rockwell was successfully demonstrating - that the existing institutions of the day, though in many cases subverted and taken over by our enemies, were still usable and could be co-opted, or worked through, in the building of the Movement and the seizing of power. This is no longer the case at all.

4.15 Ready For What?

"Ready to fight", eh? So what's the delay? Waiting for a bell for the next round? Waiting for some "hippie" or "nigger" to come jumping up onto YOUR porch? If you're really READY to fight, why not take it on your own like Cowan, Spisak, Mathews or a dozen others who FOUGHT?? What in HELL are you waiting for?!

4.16 Revolutionary Set-Back?

...as Joe Tommasi said, the people will go on playing party politics no matter how bad things get.

5 The System

5.11 Dark Age

And they look upon the inquisitors of old and alternately shudder and laugh, smug in the certainty that this is the most enlightened of all times and places.

5.33 "The Pigs Are Your Friends"

The artificially created instinct to rely on police whenever extraordinary circumstances arise has made way for the "Uncle Tom" syndrome I have mentioned often in the past. Indeed, without this reliance upon a paid army in blue to handle your violent, extra-legal situations for you, no such "Uncle Tom" syndrome could have arisen at all. What's been cultivated over the past century or so in this country has been generation after generation of more or less adult children. Those who can perform certain jobs they are trained to do and generally live within Master's Rules but who cannot truly fend for themselves when it comes right down to jungle basics, the Law of Nature. Anyone steps out of line and it's "Call the police"; "Let the police handle it."

6 Lone Wolves and Live Wires

"...pray for victory and not an end to the slaughter.'

- Joseph Tommasi

(From the introductory quotes.)

8 Leaders

8.5 What to Look For and How to Look

He would see that a formal movement or organization cannot be successfully built (the System won't allow it) and therefore his every move could be expected to defy all convention.

9 Universal Order

9.21 Women

In Manson's Family the ratio of women to men stood at about five-to-one. Women, then, were Manson's best troop. To go back in time and to change in location, it was women, by their majority, who elected Hitler to power in Germany.

9.33 The Now

Basically, it is this: the great majority of people live in a mental world split between the past and the future. Few live life. Instead, they are "starring in their own movie", to quote Manson. But the "past" and the "future" exist nowhere but in the mind, or on film or record, or on paper as fiction. The one is gone and the other hasn't yet taken place. We exist in the Now whether we like it or not. And the Now is all we've really got. No wonder why such a tiny few are in such total control of the present - most others are off someplace else.

12 Appendix III: National Socialism

12.3 PROGRAM of the World Union of National Socialists

For, while it is mathematically certain that, except for a miracle, the Jews will soon conquer the earth with their Marxism, subversion and Zionist imperialism, their victory will be their last act on earth. Like the eternal parasites they are, the Jews will soon perish in the eaten-out corpse of their dead host. (George Lincoln Rockwell)
